

IM4U

(Jim Mayer)

You are my friend, We don't pretend
That's such a waste of time
We tell the truth, If it's red or blue
It's not a crime

Every time we play, Every single day
I tell you true, IM4U ("I'm for you!")
Every time we fall, And we lose the call
It just takes two, IM4U ("I'm for you!")

We fly so free, Sometimes disagree
Look me in the eye
We will hang tough, We've got the stuff
And you know why

Every time we play, Every single day
I tell you true, IM4U ("I'm for you!")
Every time we fall, And we lose the call
It just takes two, IM4U ("I'm for you!")

If we're down and out, what's it all about
You know it's true, IM4U ("I'm for you!")
We are standing tall, We are one for all
What's the call, IM4U ("I'm for you!")

Do do do, do do do, do do
Do do do do, do do do, do do
Do do do do, do do do, do do do
IM4U (I'm for you)

Do do do, do do do, do do
Do do do do, do do do, do do
Do do do do, do do do, do do do
IM4U (I'm for you)
