

## Oops and Yays Lyrics

(Jim Mayer)

Oops! I knocked over the blocks  
Oops! And I can't find my socks  
Oops! Now my feet don't know what to do  
We all make mistakes; no blame with me and you

Yay, I can apologize  
Yay, mm, that might be wise?  
Yay, now's the time to do my best  
Keep my mind on myself - don't worry 'bout the rest

Sometimes things go bad  
We might feel sad or mad, or uh... something else  
We worry and we hurry and we can't help but frown  
Our up is "upsy daisy" and our down is "doublin' down"

Oops! Can you show me how to do that?  
Oops! Sing a song with a finger snap?  
Oops! My finger slips, but that's okay  
As long as I keep trying, I'll come back to

Yay! I learned something from you  
Yay! I know just what to do!  
Yay! Now we have a plan  
The more we listen the more we understand

Oops! You know I know how to do that well  
If you like, I'd be happy to tell  
Oops! Yes, it was hard for me too  
Isn't easier to say than do

Yay! We got through that!  
Yay! Now we're chillin' like a kitty cat  
Yay! Perhaps this is a good time to stop  
Thank you for listening at the oops and yays shop
